Telemaco 90/120

design giulio manzoni | pierluigi colombo
patent pending

Letto singolo abbattibile in due larghezze, con rete a doghe, integrato o indipendente e coordinabile con un tavolo che scompare, traslando contestualmente all'apertura del letto o con elemento imbottito relax che a letto aperto resta allocato sotto la rete.

Single vertical tip-up bed, available in two different sizes, with wooden slatted net. This element can be self standing or integrated, and it is available also with writing desk that disappears thanks to a tilting movement while the bed folds down, or with stuffed relax

element that remains underneath the net when the bed is open.

Lit rabattable verticale 1 place, disponible en deux largeurs, avec sommier à lattes en bois. L'élément Telemaco peut être individuel ou intégré. Il est disponible aussi avec table frontale qui se rabat pendant que le lit s'ouvre, ou avec un élément relax rembourré qui reste au dessus du sommier quand le lit est ouvert.

Cama abatible individual que se propone en dos dimensiones y con somier de laminas. Telemaco puede ir solo

o integrado en el programa componible. Ambos modelos se pueden completar con una mesa que se oculta cuando se baja la cama o con un elemento relax tapizado que también se oculta debajo de la cama.
