

SPEEDY

SPEEDY Tip-up bed base (stackable)

Vertical tip-up bed with wheels.

Being stackable, it takes just 82x48 cm.: so much less than a standard folding bed. Therefore it can be placed everywhere.

TECHNICAL INFORMATION

Bed base with reinforced with enforced tubular iron frame, slats in bent multilayered beech wood fixed to the frame with adjustable gaskets in nylon/rubber.

Mattress locking belt in nylon with fasteners in black nylon.

The **trolley** allows to stack one bed into the other in a vertical position.

No wheels behind the headboard, to avoid the risk of damaging the wall.

Stuffed **headboard** fully removable, Washable as per label on the fabric.

ASSEMBLING AND SAFETY

- Model SPEEDY is delivered fully assembled.

- It is provided with a stop system for the bed base. Two wheels out of four have the brake.
